

Tuesday 13<sup>th</sup> June | 6.30pm-8.30pm | Canbury Works, Kingston

## 'Gone in 60 Seconds': Networking, Beer and Pizza

This session is open to all-comers as well as attendees from either of the afternoon seminar events. We plan to have several rounds of 60 second pitching when anyone can stand up and pitch; projects, ideas, needs, business services – (almost) anything!

Entry to this event is free but we do have limited space so entry will be by Eventbrite ticket only.

This event is sponsored by [Canbury Works](#) and [CRE-8](#) – the new co-working space and Make+Test Lab in the centre of Kingston.

Canbury Works is a new flexible co-working club based in the heart of Kingston. We're more than a just a space, we're a community. We don't ask you to sign up to a tenancy agreement nor do we take a deposit, instead you can be part of one of the fastest growing changes to affect the world of work – flexible working near your home.

Embedded within Canbury Works is the CRE-8 Make+Test space, a new concept in open access makerspaces set up to help start-ups, not only with early stage concepting and prototypes, but with later stage product development and testing towards standards compliance and production. Member can utilise the machinery and test equipment on a pay-as-you-play basis or can engage the services of the experienced in-residence experts who run product development support businesses from the facility.

Tuesday 13<sup>th</sup> June | 6.30pm-8.30pm | Canbury Works, Kingston

## 'Gone in 60 Seconds': Networking, Beer and Pizza
